In June of 2022
we commissioned 5 new Storm Drains
and another DOT Box

The artists were chosen
via a public Call for Art in
a juried selection process,
from over 20 entries
submitted by qualified
local artists.

This project has been gratefully funded by a Port of Los Angeles Community Grant and a grant from the Los Angeles Department of Cultural Affairs.

Along with the painted storm drains, we replaced a DOT Box at 6th and Mesa, funded by a grant from the Central San Pedro Neighborhood Council.

This brings the total number of painted storm drains to 7, along with 25 artist painted DOT Boxes and 3 large scale murals.
