Join us for a very special screening of the documentary film ***Holy Frit***, along with the glass artist, **Tim Carey** and filmmaker, **Justin Monroe**.

*"In this visceral three-year race against time, Tim Carey, a talented, yet unknown LA artist bluffs his way into winning the commission to create the largest stained-glass window in the world. The problem is, he doesn't know how to make it. After a desperate search, he finds someone who might have the answer... a famous, Italian glass maestro named Narcissus Quagliata. As the fates of three communities hang in the balance, Narcissus arrives like a storm, and everything changes."*

Holy Frit is a fascinating examination of the artists' process, resulting in the largest stained glass window in the world.

Tim will be showing some of his art prints and we will be auctioning a tour of his studio.
